DEPARTMENT OF AGRICULTURE.

RUST-RESISTING WHEAT.

THE Department of Agriculture have for free distribution in quantities of half-bushels, amongst farmers who grow wheat upon their holdings, a certain amount of wheat which has stood many experiments for its rust-resisting qualities. The wheat, which has been experimented upon by Messrs. Joyce Bros., Dalby, and by Dr. Bancroft, is of three varieties—Indian Bearded, Indian Beardless, and White Wheat. All have been proved rust-resisting on high land, whilst the former has been tested on low scrub land. Subjoined is an extract from letters received on the subject. Applications for this wheat to be lodged with the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

EXTRACT FROM LETTERS RELATIVE TO RUST-RESISTING WHEAT FOR DISTRIBUTION BY THE DEPARTMENT OF AGRICULTURE.

"From Joyce Bros., Cregmore, Dalby, to Under Secretary for Agriculture."

"There is no doubt as to the rust-proof qualities of the wheat, Dr. Bancroft having tested it for years, and his only doubt being the rich black soil of the Downs; and last year, which was a very rusty year, we tested between lines of very rusty specimens and it was perfectly clean. Some Victorian farmers who were here as delegates to inspect land pronounced it as the only perfectly clean straw they had seen in Queensland. Messrs. Kates and Hayes, of Allora and Warwick, have both certified to its being good milling wheat, and offered not only last year, but this, top market quotations for milling purposes, although it is well known that millers usually object to the ordinary samples of Indian wheat as being too vitreous; also, in a leader some time ago, *re* rust-proof wheat, in the *Warwick Argus*, special mention was made of the excellent quality of flour made from our samples of wheat by Mr. Hayes. We have also found the wheat very hardy, and although it has been a very dry spring here it yielded well."

Date of letter, 5th January, 1888.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

PRODUCERS are invited to forward to the Department of Agriculture in Brisbane, small quantities of any specially fine samples of Wheat, Maize, Sugar, Tobacco, Rice, Cotton, or other Farm Produce grown in Queensland, such as will keep in a dry state, and are suitable for exhibition in small quantities. The wheat should be in the ear, with the straw attached, as well as in the grain; the maize in grain and in cob; the cotton ginned and unginned; the wool in the grease and scoured.

Information about the land on which the farm produce is grown will be acceptable, together with samples of the soil for analysis where this may be considered advisable.

In all cases the names of the producers, and the locality where grown, should be attached to the exhibits.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

THE Department of Agriculture will give half bushels of Rust-Resisting Seed Wheat to Growers who will engage carefully to cultivate the seed, and to send in a report of its growth, with samples of produce, to the Department. There are three kinds to be thus distributed, viz.:—Indian Bearded, Indian Beardless, and White Wheat. These have proved the best out of some twenty varieties, having stood the test of many careful experiments made by Dr. Bancroft, who introduced them to Queensland, and has had them further tried by practical farmers on the Darling Downs. All are found to be rust-resisting on the high lands, and the first-named of the three varieties has stood the test on the low-lying and scrub lands of the colony.

Applications for the said Wheat should be made to the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

PETER McLEAN,
Under Secretary for Agriculture.

Hours for removal.

4. No beer shall be removed from any brewery except between the hours of six o'clock in the morning and six o'clock in the evening. Beer removed before or after these hours is liable to be forfeited, together with the things used in its removal, under the provisions of section twenty-four of the Act.

Delivery book.

5. When beer is being delivered or forwarded from a brewery, it is to be accompanied by a delivery-book showing the number of casks and gallons, the name of the brewery, and the full address of the person or persons to whom the beer is to be delivered.

Cancelling stamps.

6. On application to the Chief Inspector, a brewer may receive permission, in writing, that he may himself cancel the stamps upon his beer by writing the name of the brewery where the beer was made, together with the date and initials of the brewer, in ink legibly across the stamp.

Stamp Account Book.

7. Every brewer shall keep a book, to be called a Stamp Account Book, in which he shall enter on the one side particulars of all beer duty stamps purchased by him, or received by way of drawback, with their value, and on the opposite side particulars of the stamps used by him daily, and their total value. At the commencement of every month he shall balance the account, comparing his stock of stamps on hand with the amount of stamps purchased, and the amount of duty paid on beer which has left the brewery during the preceding month, as shown by his attested Brewer's Diary, and shall hand the Inspector a certified copy of the totals showing the balance of stamps on hand on the evening of the last day of the month.

8. If the value of the stamps purchased and received by way of drawback together with those on hand at the commencement of the month, after deducting the stamps remaining in hand at the end of the month, is less than the value of the duty stamps which ought to have been used on the beer declared by the brewer as having left his brewery duly stamped, the brewer shall at once pay to the Inspector the amount appearing to be deficient. And if the

value of the stamps on hand is more than the proper balance shown by the Stamp Account Book, the brewer shall at once hand such excess of stamps to the Inspector, who shall cancel and destroy the same.

Purchase of stamps.

9. Brewers must purchase beer duty stamps from such persons resident in the locality in which the brewery is situated as are authorised by the Chief Inspector to sell the same, and from no other persons.

Duty on beer exported.

11. Beer exported must bear full duty in stamps.

Stamps, how affixed.

12. Stamps are to be affixed to casks by pasting the same upon the head of the cask, and by driving tacks, one in each corner and one in the middle of each of the four sides of the stamp.

ON SALE, at the Government Printing Office William street, Brisbane, the Acts and Orders relating to the Jurisdiction, Practice, and Pleading of the Supreme Court of Queensland (on the Crown Side), arranged with notes by The Honourable George R. Harding, one of the Justices of that Court.

"The Rules of the Supreme Court (Crown Side), 1887," have just been promulgated and published in a *Government Gazette* for general information, and advantage of this opportunity has been taken to collect, in a convenient form, the Statutes of the Colony relating to the jurisdiction, practice, and pleading of the Court on the Crown Side. This has been done by incorporating them with the Rules, in what appeared to be their appropriate places or under substantive titles.

A full and complete Index has been printed in Roman and Italic type. The Roman refers to the Rules, the Italic to the Statutes and Notes.

Marginal notes have been furnished to all the Rules; and under such marginal notes, and those to the Statutes, have been given, as far as practicable, references to the corresponding English Rules and Statutes, and when the Rule is founded solely on a pre-existing Queensland Rule, to that Rule.

For facility of reference have been added Tables of "The Rules of the Supreme Court (Crown Side), 1887," Appendices to same, Substantive Titles, Miscellaneous Forms, Summaries of Particular Subjects, Cases, and Crimes of the most Frequent Occurrence, with their Punishments, etc.; also a Tabular Statement of Statutes, cited both by their years and short titles, and *vice versa* by their short titles and years; a Tabular Analysis of Queensland Statutes, both with reference to the corresponding English and Queensland Statutes printed in the text. But with reference to the pages in the latter analysis of the Queensland Statutes the figures are printed in Roman and Italic, the first indicating that the sections are set out in full, the latter that the sections are only cited; and similarly in the Tabular Analysis of English Statutes, the Roman figures indicate that at such pages the corresponding Queensland sections are set out in full, while the Italics denote that the English section is cited; and when no page is given the English section is not referred to in the text. The citation of the corresponding Queensland section may be found by reference to the Tabular Analysis of Queensland Statutes.

The whole is uniform in its general arrangement with the Statutes and Orders on the Civil Side, published in 1885.

Demy 4to., 140 pp., interleaved, full bound, in Red Roan.

Price, 42s.; postage, in the colony 1s. 6d. beyond the colony 3s. 6d. extra.

1. Trumpets and bugles, taking the time from the Rear Guard, will sound—

"Reveille" at 6 a.m., at which time the morning gun will be fired;

"Retreat," at sunset, when the evening gun will be fired;

"Tattoo" { First post, at 9.30 p.m.;

{ Last post, at 10 p.m.;

"Lights out," at 10.15 p.m., after which no lights will be permitted in any of the men's tents or canteens, unless special instructions are issued.

Lights will be permitted in the Sergeant's mess up to 11 o'clock p.m.

No trumpet or bugle to be sounded between "Tattoo" and "Reveille," except "Lights out" or the "Assembly," unless with special permission of the Commandant.

Troops to rise at "Reveille," fold up bedding, tidy tents, and roll up tent-walls in fine weather.

Hours of parade will be—Morning, 6.30 a.m. to 7.30 a.m.; forenoon, 9 a.m. to 11 a.m.; afternoon, 3 p.m. to 4.30 p.m.

Hours of meals will be—Breakfast, 8 a.m.; dinner, 1 p.m.; supper, 5.30 p.m.

Orders will be issued daily at the Head-Quarters' Office Tent at 8.30 p.m.

2. Officers Commanding Corps of the Defence Force will wire direct to the Assistant Quartermaster-General, at Lytton, on Saturday, 24th March, giving the probable numbers coming into Camp on the Monday following; and on Monday, before leaving, the actual numbers on parade must be also telegraphed.

3. On arrival in Camp, Commanding Officers, before dismissing the parade, will report their arrival to the Brigade-Major, and hand him a parade state giving the exact numbers that marched in.

Particular attention is drawn to the importance of this duty, as it is impossible to compile a return showing the actual numbers in Camp without full and definite information from Commanding Officers.

4. A parade state showing the actual numbers of any Corps must be made out every morning, and handed to the Camp Sergeant-Major, at the Head-Quarters' Office, before noon.

In such parade states all employed men and sick in Camp must be accounted for.

5. One cook and one non-commissioned officer per Battery or Company of the Defence Force should reach Lytton not later than Sunday morning, 25th March.

5. Officers Commanding Volunteer Corps will, 48 hours before arrival, wire direct as above, and send one cook and one non-commissioned officer to prepare for arrival of Corps.

NOTE.—Neglect to comply with this order occasions great inconvenience to Volunteer Corps arriving in Camp.

7. Quartermasters will, not later than 2 p.m. on the 27th March, and each succeeding day, hand in to the Assistant Quartermaster-General's store requisitions (on proper form) for all rations, etc., required for the following day.

Bread, groceries, and potatoes will be issued by the Camp Quartermaster at 4.30 p.m. for the following day.

Meat will be issued at 6.15 a.m. each day.

PAY.

8. Camp pay-sheets should be made up daily. The Paymaster will reside in the Camp, and will be prepared to check the returns from day to day.

The accounts for each up-country Corps must be completed before leaving Camp, so that the Commanding Officer may receive a cheque and pay the men before they go to their homes.

9. To avoid misunderstanding the following instructions are published for the information of Corps coming from a distance to attend Camp:—

(a) Pay is allowed to each member of the Defence Force for every whole day necessarily absent from the head-quarters of his Corps.

(b) Pay will only be allowed for one Sunday.

(c) The total amount approved by Parliament being twelve days' pay for the year, this total amount cannot be exceeded by any man; thus if a man is absent ten days from his home in connection with the Camp, he will receive ten days' pay on the Camp pay-list, but can only draw two more on the annual pay-list.

(d) One shilling per meal will be allowed for each man when travelling by rail, but no allowance will be made for breakfast when men leave their homes at a reasonable hour in the morning, or for supper if they arrive at their destination before sunset. Men arriving in Camp after supper hour, but before 10 p.m., will be supplied with a meal on arrival.

PRESS.

10. Gentlemen connected with the Press who desire to remain in Camp are requested to obtain permission, in writing, from the Chief Secretary, and notify the Brigade-Major accordingly. They can join whichever of the officers' messes may be most

convenient for them, and will be provided with tents in the same proportion as Company officers, viz., one tent to every three.

BAGGAGE REGULATIONS.

13. Officers Commanding Corps must provide a sufficient number of sacks to carry the men's baggage, and a baggage guard under a non-commissioned officer must be placed in charge of same during transit to and from Camp.

The following system of marking the sacks will be strictly carried out in order that quartermasters may be the better able to ascertain the destination of each sack, and likewise to prevent any confusion in the transport of baggage to and from Camp.

Carpet-bags and portmanteaux should on no account be taken to Camp by non-commissioned officers and men. Claims for lost baggage of this description will be disallowed.

Each sack must bear a painted band at right angles to the length of the sack and in the centre, 2½ inches broad, of the colour of the Division, and a numeral in black paint of 4 inches, below the band on each side of the sack.

Commanding Officers who neglect to carry out the above orders may themselves settle any claims for lost baggage that may be preferred by men under their command.

The Assistant Quartermaster-General will make all necessary arrangements for the transport of baggage to and from all drill-sheds, railway stations, steamers, and wharves in the Brisbane district, both going to and from Lytton.

Carts should be in attendance at the drill-sheds at least one hour before the appointed hour of departure of the Regiment or Corps, and quarter of an hour before the hour of arrival of trains.

Hours of departure will be notified hereafter.

No claims will be entertained for the transport of officers' luggage except from drill-sheds as published.

QUARANTINE.

ORDER IN COUNCIL.

At Southport, the thirteenth day of March, 1888.

PRESENT:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by an Act passed in the fiftieth year of Her Majesty's reign, intituled "*An Act to Amend the Laws relating to Quarantine*," it is amongst other things enacted, that when a ship arrives from beyond sea at any port or place in Queensland, on board of which there is, or has been, during the voyage, any infectious or contagious disease, the Governor in Council may make such Orders as may by him be deemed necessary with respect to the performance of Quarantine by the said ship and her passengers:

And whereas by an Order in Council made on the twenty-ninth ultimo, it was ordered that the Steamship "Waroonga," which had recently arrived from London, and on board of which the infectious diseases known as Smallpox and Scarlatina then existed, should be placed in Quarantine, and that the Passengers by the said Steamship for Ports north of Rockhampton should perform Quarantine at the Quarantine Station at Magnetic Island, and that the said Steamship and the remainder of the Passengers should perform Quarantine at the Quarantine Station at Peel Island:

And whereas the Health Officer at Townsville has certified that Quarantine has been duly performed by the Passengers at Magnetic Island, and the Health Officer at Brisbane has certified that Quarantine has been duly performed by the Ship and the remainder of the Passengers at Peel Island, and that the Ship and Passengers may, without danger to the public health, be now released: Now, therefore, His Excellency the Governor, by and with the advice of the Executive Council, and in pursuance of the authority vested in him by the said Act, doth Order, and it is hereby Ordered, that the said Ship and Passengers shall be discharged from Quarantine.

And the Chief Secretary is to give the necessary directions herein accordingly.

A. V. DRURY,
Clerk of the Council.

[No. 56.]

In the Supreme Court of Queensland.
AS OF TUESDAY, THE THIRTEENTH DAY OF MARCH,
A.D. 1888.

REGULÆ GENERALES.

IT is ordered by the Honourable Sir Charles Lilley, Knight, the Chief Justice of Queensland, and by The Honourable George Rogers Harding, Esquire, and by The Honourable Charles Stuart Mein, Esquire, Justices of the Supreme Court of Her Majesty's said Colony, in Brisbane in pursuance and execution of the powers vested in them by "*The Elections Tribunal Act of 1886*," and of all other powers and authorities enabling them in that behalf, as follows:—

1. These Rules may be cited as "The Rules of the Elections Tribunal of 1888."

2. In these Rules, unless repugnant to the context—

The singular number shall include the plural, and the plural number shall include the singular;

The interpretation of terms given in the Act shall apply;

"Act" means "*The Elections Tribunal Act of 1886*";

"Office of the Registrar" means the Supreme Court Office, and *vice versa*;

"Rules of Court" shall include forms.

3. All documents required by these Rules to be left with the Registrar, or at his office, or which come into his possession under these Rules, and not required by these Rules to be forwarded elsewhere, shall be filed in the office of the Supreme Court.

4. The Rules of the Supreme Court shall, as far as the same are applicable and do not conflict with the Act and these Rules, apply to all proceedings before the Elections Tribunal, the Elections Judge, and before the Supreme Court, under the Act and these Rules.

5. The presentation of an election petition shall be made by lodging it at the office of the Registrar of the Supreme Court; and such Registrar or his deputy shall (if required) give a receipt, which may be in the following form:—

Received on the _____ day of _____, at the office of the Registrar of the Supreme Court, a petition touching the election of A.B., a member for _____, purporting to be signed by [insert the names of petitioners].

C.D., Registrar.

With the petition shall also be left a copy thereof for the Registrar to send to the returning officer. (See section 8 of the Act, and Rule 9.)

6. An election petition shall contain the following statements:—

I. It shall state the right of the petitioner to petition within section 6 of the Act.

II. It shall state the holding and result of the election, and shall briefly state the facts and grounds relied on to sustain the prayer.

7. The petition shall be divided into paragraphs, each of which, as nearly as may be, shall be confined to a distinct portion of the subject; and every paragraph shall be numbered consecutively. No costs shall be allowed of drawing or copying any petition not substantially in compliance with this Rule, unless otherwise ordered by the Elections Tribunal or Elections Judge.

8. The petition shall conclude with a prayer, as, for instance, that some specified person should be declared duly returned or elected, or that the election should be declared void, or that a return may be enforced (as the case may be), and shall be signed by all the petitioners.

9. The following form, or one to the like effect, shall be sufficient:—

I. Your petitioner, A., is a person who voted [or had a right to vote, as the case may be] at the above election [or claims to have a right to be returned at the above election, or was a candidate at the above election], and your petitioner, B. [here state in like manner the right of each petitioner].

II. And your petitioners state that the election was holden on the _____ day of _____ A.D. _____ when A.B., C.D., and E.F. were candidates, and the returning officer has returned A.B. and C.D. as being duly elected.

III. And your petitioners say that [here state the facts and grounds on which the petitioners rely.]

Wherefore your petitioners pray that it may be determined that the said A.B. was not duly elected or returned, and that the election was void [or that the said E.F. was duly elected and ought to have been returned, or as the case may be].

(Signed) A.
B.

10. Evidence need not be stated in the petition, but the Elections Tribunal or Elections Judge may order such particulars as may be necessary to prevent surprise and unnecessary expense, and to insure a fair and effectual trial, in the same way as in ordinary proceedings in the Supreme Court, and upon such terms, as to costs and otherwise, as may be ordered.

11. A copy of every order, or, if the Registrar shall so direct, the order itself, or a duplicate thereof, also a copy of every particular delivered, shall be forthwith filed with the Registrar, and the same shall be produced at the trial by the Registrar stamped with the official seal. Such order and particulars respectively shall be filed by the party obtaining the same.

12. When a petitioner claims the seat for an unsuccessful candidate, alleging that such candidate had a majority of lawful votes, the party complaining of or defending the election or return shall, six days before the day appointed for trial, deliver to the Registrar and also at the address (if any) given by the petitioners and respondent, as the case may be, a list of the votes intended to be objected to, and of the heads of objection to each such vote; and the Registrar shall allow inspection and office copies of such lists to all parties concerned; and no evidence shall be given against the validity of any vote, nor upon any head of objection not specified in the list, except by leave of the Elections Tribunal or Elections Judge, upon such terms as to amendment of the list, postponement of the inquiry, and payment of costs, as may be ordered.

13. When the respondent in a petition under the Act, complaining of an undue return, and claiming the seat for some person, intends to give evidence to prove that the election of such person was undue, pursuant to the 25th section of the Act, such respondent shall, six days before the day appointed for trial, deliver to the Registrar, and also at the address (if any) given by the petitioner, a list of the objections to the election upon which he intends to rely; and the Registrar shall allow inspection and office copies of such lists to all parties concerned; and no evidence shall be given by a respondent of any objection to the election not specified in the list, except by leave of the Elections Tribunal or Elections Judge, upon such terms as to amendments of the list, postponement of the inquiry, and payment of costs, as may be ordered.

14. The days mentioned in Rules 12 and 13, and in any judgment or order, whereby particulars are ordered to be delivered, or any act is directed to be done, so many days before the day appointed for trial, shall be reckoned exclusively of the day of delivery, or of doing the act ordered, and the day appointed for trial, and exclusively also of Sunday, Christmas Day, Good Friday, and any day set apart for a public fast or public thanksgiving.

15. When the last day for presenting petitions, or filing lists of votes or objections, under Rules 12 and 13, or any other matter required to be filed within a given time, shall happen to fall on a holiday, the petition or other matter shall be deemed duly filed if put into the letter-box at the Registrar's Office at any time during such day; but an affidavit, stating with reasonable precision the time when such delivery was made, shall be filed on the first day after the expiration of the holidays.

16. With the petition, petitioners shall leave at the office of the Registrar a writing, signed by them or on their behalf, giving the name of some person entitled to practise as a solicitor whom they authorise to act as their solicitor, or stating that they act for themselves, as the case may be, and in either case giving an address, within one mile from

the Supreme Court Office, at which notices addressed to them may be left; and if no such writing be left or address given, then all notices and proceedings may be given by sticking up the same at the Registrar's Office.

17. Any person returned as a member may, at any time after he is returned, send or leave at the office of the Registrar a writing signed by him or on his behalf, appointing a person entitled to practise as a solicitor to act as his agent in case there should be a petition against him, or stating that he intends to act for himself, and in either case giving an address within one mile from the Supreme Court Office at which notices may be left; and in default of such writing being left within a week after service of the petition, notices and proceedings may be given and served respectively by sticking up the same at the Registrar's Office.

18. The Registrar shall keep a book or books at his office in which he shall enter all addresses and the names of solicitors given under either of the preceding Rules, which book shall be open to inspection by any person during office-hours.

19. The Registrar shall, upon the presentation of the petition, forthwith send a copy of the petition to the returning officer (*see* section 8 of the Act, and Rule 5), and shall therewith send the name of the petitioner's solicitor, if any, and of the address, if any, given as prescribed; and also the name of the respondent's solicitor, and the address, if any, given as prescribed; and the returning officer shall forthwith publish those particulars along with the petition.

The cost of publication of this and any other matter required to be published by the returning officer shall be paid by the petitioner or person moving in the matter, and shall form part of the general cost of the petition.

20. The time for giving notice of the presentation of a petition shall be five days, exclusive of the day of presentation.

21. Where the respondent has named a solicitor or given an address, the service of an election petition may be made by delivery of a copy of it to the solicitor, or by posting a copy of it in a registered letter to the address given at such time that, in the ordinary course of post, it would be delivered within the prescribed time.

In other cases the service of a copy of the petition must be personal on the respondent, unless the Elections Judge, on an application made to him not later than five days after the petition is presented, on affidavit showing what has been done, shall be satisfied that all reasonable effort has been made to effect personal service and cause the matter to come to the knowledge of the respondent, in which case the Elections Judge may order that what has been done shall be considered sufficient service, subject to such conditions as he may think reasonable.

22. In case of evasion of service, the sticking up a notice in the office of the Registrar of the petition having been presented, stating the petitioner and the prayer, shall be deemed equivalent to personal service if so ordered by the Elections Judge.

23. The petitioner or his agent shall, immediately after notice of the presentation of a petition, and service of a copy of the petition, file with the Registrar an affidavit of the time and manner of service thereof.

24. The payment into Court of money by way of security for payment of costs, charges, and expenses payable by the petitioner shall be made in the manner now provided in that behalf by the Rules of the Supreme Court for payment of money into that Court.

25. The Registrar shall keep a book open to inspection of all parties concerned, in which shall be entered, from time to time, the amount and the petition to which it is applicable.

26. All claims at law or in equity to money paid into Court for payment of costs, charges, and expenses by the petitioners, pursuant to Rule 24, shall be disposed of by the Elections Tribunal or the Elections Judge.

27. Money so paid shall, if and when the same is no longer needed for securing payment of such costs, charges, and expenses, be returned, or otherwise disposed of as justice may require, by the Elections Tribunal or the Elections Judge.

28. Such disposition may be made after such notice of intention to apply, and proof that all just claims have been satisfied or otherwise sufficiently provided for as the Elections Tribunal or the Elections Judge may require.

29. Payment may be directed to be made, either to the party in whose name the same was paid in or to any person entitled to receive the same.

30. The Registrar shall make out an election list. In it he shall insert the name of the solicitors of the petitioners and respondent, and the addresses to which notices may be sent, if any. The list may be inspected at the Registrar's Office at any time during office-hours, and shall be put up for that purpose upon a notice board appropriated to proceedings under the Act, and headed "*The Elections Tribunal Act of 1886.*"

31. The time and place of the trial of each election petition shall be fixed by the Elections Judge, and notice thereof shall be given in writing by the Registrar by sticking notice up in his office, sending one copy by the post to the address given by the petitioner, another to the address given by the respondent, if any, and a copy to the returning officer, and the sheriff, fifteen days before the day appointed for the trial.

The returning officer shall forthwith publish the same in the electoral district.

32. The sticking up of the notice of trial at the office of the Registrar shall be deemed and taken to be notice in the prescribed manner within the meaning of the Act, and such notice shall not be vitiated by any miscarriage of, or relating to, the copy or copies thereof to be sent as already directed.

33. The notice of trial may be in the following form:—

48. The time and place for hearing the application shall be fixed by the Elections Judge, but shall not be less than a week after the notice of the intention to apply has been given to the Registrar as hereinbefore provided, and notice of the time and place appointed for the hearing shall be given to such person or persons, if any, as shall have given notice to the Registrar of an intention to apply to be substituted as petitioners, and otherwise in such manner and at such time as the Elections Judge directs.

52. The manner and time of the respondent's giving notice to the Court that he does not intend to oppose the petition shall be by leaving notice thereof in writing at the office of the Registrar, signed by the respondent, six days before the day appointed for trial, exclusive of the day of leaving such notice.

53. Upon such notice being left at the Registrar's Office, the Registrar shall forthwith send a copy thereof by the post to the petitioner or his solicitor, and the returning officer, who shall cause the same to be published in the electoral district.

54. The time for applying to be admitted as a respondent, in either of the events mentioned in the 45th section of the Act, shall be within ten days after such notice is given as hereinbefore directed, or such further time as the Elections Judge may allow.

55. After receiving notice of the petitioner's intention to apply for leave to withdraw, or of the respondent's intention not to oppose, or of the abatement of the petition by death, or of the happening of any of the events mentioned in the 45th section of the Act, if such notice be received after notice of trial shall have been given, and before the trial has commenced, the Registrar shall forthwith countermand the notice of trial. The countermand shall be given in the same manner, as near as may be, as the notice of trial.

56. REMARKS.

Mean pressure was 0·014 higher, and mean temperature was only four-tenths of a degree lower than during January. The mean vapour tension was ·084 higher, and the relative humidity 10 % higher than during last month. Heavy dews occurred during the first week; lightning on 6th, thunderstorm on 8th, lunar halo on 22nd. The chief feature of the month was the heavy rainfall, which occurred on the edge of the northern half of high pressure systems. The prevailing south-east winds proved that areas of high barometer, anti-cyclones or "mounds" of high atmospheric pressure, were of frequent occurrence over the Riverina country, and that their north-eastern slopes over-reached the Queensland border and the Pacific slope. The mean temperature of the Brisbane River about 9 a.m. at Kangaroo Point was 78·8.

February, 1888, compared with February, 1887.

As in the comparisons for January, the increase of mean pressure is very marked. The mean barometer read nearly a tenth higher during February, 1888, than during the same month of the previous year. The mean shade temperature of the air, however (74·2), was precisely the same as that of a year ago, but some slight differences are noted in hygrometric conditions. For instance, the mean vapour tension was ·016 higher than last year, and the relative humidity 2% higher. If, now, we analyse the wind observations, we find that during February, 1888, northerly currents were nine times, north-east twice, east seven times, and south-east twice in excess of the similar winds a year ago, while south-east remained the prevailing wind. Southerly winds were not so frequent as during 1887 by two distinct observations. The mean velocity of the wind was about the same; so was the mean amount of cloud. The rainfall was 7½ inches more than that for the corresponding period of last year.

The Observatory, which was re-organised on 1st January, 1887, is conducted entirely in accordance with the Royal Meteorological Society's Rules.

Arrangements are being made by which the Maps at the Head Office in Brisbane will be charted up each day, so as to show all land actually open for selection in each District of the Colony.

HENRY JORDAN.

DEPARTMENT OF AGRICULTURE.

PRODUCERS are invited to forward to the Department of Agriculture in Brisbane, small quantities of any specially fine samples of Wheat, Maize, Sugar, Tobacco, Rice, Cotton, or other Farm Produce grown in Queensland, such as will keep in a dry state, and are suitable for exhibition in small quantities. The wheat should be in the ear, with the straw attached, as well as in the grain; the maize in grain and in cob; the cotton ginned and unginned; the wool in the grease and scoured.

Information about the land on which the farm produce is grown will be acceptable, together with samples of the soil for analysis where this may be considered advisable.

In all cases the names of the producers, and the locality where grown, should be attached to the exhibits.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

THE Department of Agriculture will give half bushels of Rust-Resisting Seed Wheat to Growers who will engage carefully to cultivate the seed, and to send in a report of its growth, with samples of produce, to the Department. There are three kinds to be thus distributed, viz.:—Indian Bearded, Indian Beardless, and White Wheat. These have proved the best out of some twenty varieties, having stood the test of many careful experiments made by Dr. Bancroft, who introduced them to Queensland, and has had them further tried by practical farmers on the Darling Downs. All are found to be rust-resisting on the high lands, and the first-named of the three varieties has stood the test on the low-lying and scrub lands of the colony.

Applications for the said Wheat should be made to the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

RUST-RESISTING WHEAT.

THE Department of Agriculture have for free distribution in quantities of half-bushels, amongst farmers who grow wheat upon their holdings, a certain amount of wheat which has stood many experiments for its rust-resisting qualities. The wheat, which has been experimented upon by Messrs. Joyce Bros., Dalby, and by Dr. Bancroft, is of three varieties—Indian Bearded, Indian Beardless, and White Wheat. All have been proved rust-resisting on high land, whilst the former has been tested on low scrub land. Subjoined is an extract from letters received on the subject. Applications for this wheat to be lodged with the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

EXTRACT FROM LETTERS RELATIVE TO RUST-RESISTING WHEAT FOR DISTRIBUTION BY THE DEPARTMENT OF AGRICULTURE.

"From Joyce Bros., Cregmore, Dalby, to Under Secretary for Agriculture.

"There is no doubt as to the rust-proof qualities of the wheat, Dr. Bancroft having tested it for years, and his only doubt being the rich black soil of the Downs; and last year, which was a very rusty year, we tested between lines of very rusty specimens and it was perfectly clean. Some Victorian farmers who were here as delegates to inspect land pronounced it as the only perfectly clean straw they had seen in Queensland. Messrs. Kates and Hayes, of Allora and Warwick, have both certified to its being good milling wheat, and offered not only last year, but this, top market quotations for milling purposes, although it is well known that millers usually object to the ordinary samples of Indian wheat as being too vitreous; also, in a leader some time ago, *re* rust-proof wheat, in the *Warwick Argus*, special mention was made of the excellent quality of flour made from our samples of wheat

by Mr. Hayes. We have also found the wheat very hardy, and although it has been a very dry spring here it yielded well."

Date of letter, 5th January, 1883.

JAMES C. BEAL,

Government Printer.

ON SALE, at the Government Printing Office,
William street, Brisbane, the Acts and Orders
relating to the Jurisdiction, Practice, and Pleading
of the Supreme Court of Queensland (on the Crown
Side), arranged with notes by The Honourable
George R. Harding, one of the Justices of that Court.

"The Rules of the Supreme Court (Crown Side),
1887," have just been promulgated and published
in a *Government Gazette* for general information,
and advantage of this opportunity has been taken
to collect, in a convenient form, the Statutes of the
Colony relating to the jurisdiction, practice, and
pleading of the Court on the Crown Side. This
has been done by incorporating them with the
Rules, in what appeared to be their appropriate
places or under substantive titles.

A full and complete Index has been printed in
Roman and Italic type. The Roman refers to the
Rules, the Italic to the Statutes and Notes.

Marginal notes have been furnished to all the
Rules; and under such marginal notes, and those
to the Statutes, have been given, as far as practic-
able, references to the corresponding English Rules
and Statutes, and when the Rule is founded solely
on a pre-existing Queensland Rule, to that Rule.

For facility of reference have been added Tables
of "The Rules of the Supreme Court (Crown Side),
1887," Appendices to same, Substantive Titles,
Miscellaneous Forms, Summaries of Particular
Subjects, Cases, and Crimes of the most Frequent
Occurrence, with their Punishments, etc.; also
a Tabular Statement of Statutes, cited both by
their years and short titles, and *vice versa* by
their short titles and years; a Tabular Analysis
of Queensland Statutes, both with reference
to the corresponding English and Queensland Sta-
tutes printed in the text. But with reference to the
pages in the latter analysis of the Queensland
Statutes the figures are printed in Roman and
Italic, the first indicating that the sections are set
out in full, the latter that the sections are only
cited; and similarly in the Tabular Analysis of
English Statutes, the Roman figures indicate that
at such pages the corresponding Queensland sections
are set out in full, while the Italics denote that the
English section is cited; and when no page is given
the English section is not referred to in the text.
The citation of the corresponding Queensland
section may be found by reference to the Tabular
Analysis of Queensland Statutes.

The whole is uniform in its general arrangement
with the Statutes and Orders on the Civil Side,

IN THE UNSETTLED DISTRICTS.

IT is hereby notified for general information, that, in accordance with the provisions of the twenty-seventh clause of "*The Pastoral Leases Act of 1869*," the unexpired terms of the Leases of the Runs of Crown lands hereunder described, which have become vacant by forfeiture or otherwise, will be offered for Sale by Public Auction, at the Auction Rooms of Arthur Martin and Co., Queen street, Brisbane, on TUESDAY, 15TH May, 1888, at Eleven o'clock a.m.

The upset price per square mile at which each Run will be offered is inserted opposite to its name in the appended Schedule, according to the estimated area in each case; and the highest amount bid shall be the annual rent for the unexpired period of the Leases ending as stated in the Schedule annexed.

Should the realised price per square mile of any Run so offered not amount to Twenty Shillings, the Annual Rent to be charged for the first four years of the renewed lease, if granted after the expiration of the current lease, shall not be less than One Pound per square mile of the available area, in the event of the Run not being appraised at a higher rental.

A deposit of the whole amount bid, being the first year's rent, will have to be paid at the time of sale, together with the Survey Fee chargeable on each Run.

The purchaser of the remainder of any of the Leases enumerated below shall be allowed six months to stock the country; failing in which, or not thereafter maintaining the amount of stock thereon as prescribed by the Act, the Lease may become cancelled.

The Government reserve the right of increasing the available area if it should be discovered after survey that the estimate set down opposite each run is less than the character of the country warrants. The upset price per square mile at which each Run will be offered is inserted opposite to its name in the appended Schedule, according to the estimated area in each case; and the highest amount bid shall be the annual Rent for the unexpired period of the Leases, ending as stated in the Schedule annexed.

Should the realised price per square mile of any Run so offered not amount to Twenty Shillings, the Annual Rent to be charged for the first four years of the renewed lease, if granted after the expiration of the current lease, shall not be less than One Pound per square mile of the available area, in the event of the Run not being appraised at a higher rental.

A Deposit of the whole amount bid, being the first year's rent, will have to be paid at the time of sale.

The purchaser of the remainder of any of the leases enumerated below shall be allowed six months to stock the country, failing in which, or not thereafter maintaining the amount of stock thereon as prescribed by the Act, the Lease may become cancelled.

[No. 63.]

Chief Secretary's Office,
Brisbane, 22nd March, 1888.

HIS Excellency the Governor has been pleased to direct the publication, for general information, of the following Circular Despatch and Enclosures received from the Secretary of State for the Colonies.

S. W. GRIFFITH.

"SUPERANNUATION ACT, 1887," AND RULES THEREUNDER.

SIR,

Downing street, 24th January, 1888.

Referring to my Circular Despatches of the 1st of February, 1887, and of the 6th of August, 1887, I have the honour to transmit to you, for information and publication in the Colony under your government, a copy of "*The Superannuation Act, 1887*," and of the Rules drawn up by the Treasury under Clause 6 thereof.

I have, &c.,

The Officer Administering the Government of Queensland.

CHAPTER 67.

An Act to amend the Superannuation Acts, 1834 and 1859; and for other purposes.—[16th September, 1887.]

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Grant of gratuity or allowance to injured civil servant.

1.—(1.) Where a person employed in the Civil Service of the State is injured—

- (a) in the actual discharge of his duty, and
- (b) without his own default, and
- (c) by some injury specifically attributable to the nature of his duty,

the Treasury may grant to him, or, if he dies from the injury, to his widow, his mother, if wholly dependent on him at the time of his death, and to his children, or to any of them, such gratuity or annual allowance as the Treasury may consider reasonable, and as may be permitted by the terms of a warrant under this section.

(2.) The Treasury shall forthwith after the passing of this Act frame a warrant regulating the grant of gratuities and annual allowances under this section, and the warrant so framed shall be laid before Parliament.

(3.) Provided that a gratuity under this section shall not exceed one year's salary of the person injured, and an allowance under this section shall not, together with any superannuation allowance to which he is otherwise entitled, exceed the salary of the person injured, or three hundred pounds a year, whichever is less.

Power to grant retiring allowance to persons removed.

2.—(1.) Where a civil servant is removed from his office on the ground of his inability to discharge efficiently the duties of his office, and a superannuation allowance cannot lawfully be granted to him under “*The Superannuation Acts, 1834 and 1859*,” and the Treasury think that the special circumstances of the case justify the grant to him of a retiring allowance, they may grant to him such retiring allowance as they think just and proper, but in no case exceeding the amount for which his length of service would qualify him under sections 2 and 4 of “*The Superannuation Act, 1859*,” without any addition under section 7 of that Act.

(2.) A minute of the Treasury granting an allowance under this section to any civil servant shall set forth the amount of the allowance granted to him, and the reasons for such allowance, and shall be laid before Parliament: Provided that the Treasury before making the grant shall consider any representation which the civil servant removed may have submitted to them.

Reckoning of temporary services.

3. Where a person at the time he becomes a civil servant within the meaning of this Act is serving the State in a temporary capacity, the Treasury may, if in their opinion any special circumstances of the case warrant such a course, direct that his service in that capacity may be reckoned for the purposes of “*The Superannuation Acts, 1834 and 1859*,” and this Act, as service in the capacity of a civil servant, and it shall be so reckoned accordingly.

Compassionate gratuity on retirement of person not entitled to superannuation.

4. If a person employed in any public department in a capacity in respect of which a superannuation allowance cannot be granted under “*The Superannuation Act, 1859*,” retires, or is removed from his employment, and—

- (a) the employment is one to which he was required to devote his whole time, and
- (b) the remuneration for the employment was paid entirely out of moneys provided by Parliament, and
- (c) he has served in the employment for not less than seven years, if he is removed in consequence of the abolition of his employment, or for the purpose of facilitating improvements in the organization of the department by which economy can be effected, or for not less than fifteen years if his retirement is caused from infirmity of mind or body, permanently incapacitating him from the duties of his employment,

the Treasury may, if they think fit, grant to him a compassionate gratuity not exceeding one pound or one week's pay, whichever is the greater, for each year of his service in his employment.

Provision against double pensions.

5. A person shall not be entitled to reckon the same period of time both for the purpose of a superannuation allowance under “*The Superannuation Acts, 1834 and 1859*,” and this Act, and also for the purpose of naval or military non-effective pay.

Regulations as to officers receiving half-pay or retired pay.

6.—(1.) The Treasury may, within one month after the passing of this Act, frame rules as to the conditions on which any civil employment of profit under any public department as defined by this Act, or any employment of profit under the Government of any British possession, or any employment under the Government of any foreign State may be accepted or held by any person who is in receipt of or has received any sum granted by Parliament for the pay, half-pay, or retired pay of officers of Her Majesty's naval or land forces, or otherwise for payment for past service in either of such forces, or who has commuted the right to receive the same, and as to the effect of such acceptance or holding on the said pay or sum, and the Treasury may in such rules provide for the enforcement thereof by the forfeiture, suspension, or reduction of any such pay or sum as aforesaid, or of any commutation money or remuneration for such employment.

(2.) Such rules shall also provide for the returns to be laid before Parliament of such officers accepting employment as are affected by the rules, and shall come into operation at the date of the passing of this Act.

(3.) The rules shall be laid before both Houses of Parliament forthwith.

(4.) For the purposes of this section “British possession” means any part of Her Majesty's dominions out of the United Kingdom, and this section shall apply to Cyprus as if it were a British possession.

Provision as to lunatics.

7.—(1.) Where any sum in respect of pay, pension, superannuation, or other allowance or annuity is due in respect either of service as a civil servant, or of military or naval service, to a person who is a lunatic, whether so found by inquisition or not, such sum may be from time to time applied for his benefit by the prescribed public department in such a manner as the department think expedient.

(2.) Where any annuity, whether pension, superannuation, or other allowance, is payable out of moneys provided by Parliament to a person in respect either of service as a civil servant or of military or naval service, and such person is or becomes a lunatic towards whose maintenance a contribution is made out of money provided by Parliament, then as long as the contribution is made his annuity shall be reduced by an amount equal to that contribution; and if the amount of the contribution exceeds the amount of the annuity, the annuity shall cease to be payable.

Distribution of money not exceeding £100 without probate.

8. On the death of a person to whom any sum not exceeding one hundred pounds is due from a public department in respect of any civil pay, superannuation, or other allowance, annuity or gratuity, then, if the prescribed public department so direct, but subject to the regulations (if any) made by the Treasury, probate or other proof of the title of the personal representative of the deceased person may be dispensed with, and the said sum may be paid or distributed to or among the persons appearing to the public department to be beneficially entitled to the personal estate of the deceased person, or to or among any one or more of those persons, or, in case of the illegitimacy of the deceased person or his children, to or among such persons as the department may think fit, and the department shall be discharged from all liability in respect of any such payment or distribution.

Decision of Treasury.

9. The decision of the Treasury on any question which arises as to the application of any section of this Act to any person, or as to the amount of any allowance or gratuity under this Act, or as to the reckoning of any service for such allowance or gratuity, shall be final.

Saving for existing interests.

10. Nothing in this Act shall be construed so as in any way to interfere with the rights existing at the passing of this Act of any civil servant then holding office.

Laying of warrant and minutes before Parliament.

11. Every warrant and minute under this Act which is required to be laid before Parliament shall be laid before both Houses of Parliament in manner provided by section thirteen of “*The Superannuation Act, 1859*.”

RULES UNDER SECTION 6 OF “THE SUPERANNUATION ACT, 1887.”

Preamble.

WHEREAS by “*The Superannuation Act, 1887,*” the Commissioners of Her Majesty’s Treasury are authorised to frame rules as to the conditions on which any civil employment of profit under any public department or any employment of profit under the Government of any British possession, or any employment under the Government of any foreign State, may be accepted by any person who is in receipt of any sum granted by Parliament for the pay, half-pay or retired pay of officers of Her Majesty’s naval or military forces, regular or auxiliary, or otherwise, for past service in such forces; or who has commuted the right to receive the same or has retired with a gratuity; and otherwise, as in the said Act mentioned:

And whereas the general principle adopted by Parliament has been that where any person receiving non-effective pay on account of service to the State accepts fresh State employment, the State should benefit by some saving upon the sums otherwise payable to such person on account of his non-effective pay and of the emoluments of his fresh employment:

And whereas such saving has been heretofore effected by means of a reduction of the non-effective pay, and it appears to the Commissioners of Her Majesty’s Treasury expedient that in the case of officers accepting certain civil employments of profit such saving should be effected by reduction of the emoluments of the fresh employment instead of by reduction of the non-effective pay:

Now, therefore, the Commissioners of Her Majesty’s Treasury, in pursuance of the powers conferred on them by “*The Superannuation Act, 1887,*” and of every other power enabling them in this behalf, do hereby make the following Rules:—

In these Rules:—

1. (a.) The expression “non-effective pay,” shall mean any half-pay or retired pay, or other payment granted by Parliament for officers in Her Majesty’s naval or land forces, on account of past service in some portion of those forces, but does not include rewards for distinguished or meritorious service, nor pensions for wounds.

(b.) The expression “civil employment of profit under any public department,” means any employment the profits of which are derived from any of the following funds which are hereby declared to be public funds, viz.:—

a. The Consolidated Fund,

b. Money voted by Parliament, or receipts, taken in reduction of such money,

- c. Land or hereditary revenues of the Crown,
 - d. Crown revenue of the Channel Islands,
 - e. Mercantile Marine Fund,
 - f. Funds of Greenwich or Chelsea Hospital,
 - g. Any other fund which, either from its being administered by a public department, or from its receiving a contribution out of any of the above-mentioned funds, the Treasury may from time to time determine to be a public fund;
- but does not include any such employment as the Treasury, having regard to the regulations of the Admiralty and the War Department, determine to be a naval or military employment.
- (c.) The expression "naval" shall include marine, and the expression "navy" shall include marines.
 - (d.) The expression "officer" shall mean any officer who holds or has retired from a commission in any of the Imperial forces, or who has retired with a gratuity or upon non-effective pay, whether he have commuted such non-effective pay or not.
 - (e.) The expression "Imperial forces" means Her Majesty's Imperial, naval, or land forces.
 - (f.) The expression "Colonial Government" means the government of any Colony, and includes the Government of Cyprus.
 - (g.) Other expressions have the same meaning as "*The Superannuation Act, 1887*."

I.—ACCEPTANCE OF OFFICE.

Consent to be obtained for civil or any colonial or foreign employment.

2. An officer who is on the half-pay or retired list, or who has commuted his non-effective pay, or retired from the Imperial forces with a gratuity, before accepting any civil employment of profit under any public department or any employment of profit under the Government of any British possession, or any employment under the Government of any foreign State, shall obtain the consent of the Admiralty or the War Department, as the case may be, and the continuance of such consent shall be a condition of his holding such employment; and such consent, when given, and a withdrawal of such consent, shall be communicated by the giver to the Treasury.

Penalty for non-observance of condition of Rule 2.

3. If any officer fail to obtain such consent, or if he continues to hold such employment after the consent is withdrawn, he shall be liable to have his non-effective pay suspended or reduced, either permanently or temporarily, according as the Treasury may direct, and if he have commuted such pay or retired with a gratuity shall be liable to pay to Her Majesty the amount of commutation money or gratuity, or such portion thereof as the Treasury may direct.

II.—RECEIPT OF NAVAL OR MILITARY NON-EFFECTIVE PAY BY AN OFFICER HOLDING A CIVIL EMPLOYMENT OF PROFIT.

Abatement from civil emoluments.

4. If any such officer as is mentioned in Rule 2 accept any civil employment of profit under any public department (other than in Her Majesty's Household), and such officer either continues whilst holding the said employment to draw any non-effective pay, or has commuted such pay, or has retired with a gratuity from navy or army funds, the profits of his civil employment shall be subject to abatement under the following conditions:—

- (a.) If the annual amount of his non-effective pay, whether in actual course of payment or commuted or represented by a gratuity valued as hereinafter mentioned, and the profits of his civil employment together exceed £400 per annum, the profits of his civil employment shall be abated by such an amount, not being less than 10 per cent. thereof, as may be determined by the Treasury in concert with the department employing the officer; provided that no abatement shall be made by reason of this Rule, which exceeds the amount of the officer's non-effective pay or reduces his total emoluments to less than £400 per annum.
- (b.) For the purposes of subsection (a) the annual value of non-effective pay which has been commuted shall be the amount of such pay at the time of commutation, and the value of a gratuity shall be determined, actuarially, according to the prospects of life of the officer at the date of his receipt of such gratuity.

Exemptions from abatement.

5. (1.) It shall be competent to the Treasury, on the recommendation of the Admiralty or War Department, as the case may be, from time to time to exempt any civil employment under a naval or military department, from the operation of Rule 4, or to bring the same back within its operation.

(2.) It shall be competent to the Treasury from time to time to exempt any other civil employment from the operation of Rule 4, for such time as they may deem fit, on the ground of such employment being of a temporary or casual character, or of its profits being petty or uncertain, or of the nature of fees for piecework.

Treasury to decide doubtful cases.

6. In case of doubt arising either as to whether the funds from which the profits of a civil employment are derived are public funds or as to what is, for the purposes of Rule 4, the annual value of non-effective pay, or of a gratuity, or of the profits of a civil employment, the decision on the point shall rest with the Treasury.

Limitation of civil pension.

7. No such officer as is mentioned in Rule 2 shall accept any civil employment of profit under any public department, otherwise than on condition that no pension shall be granted to him in respect of that employment, which, when added to his non-effective pay, shall exceed two-thirds of the emoluments of that employment, or a total of £1,000 a year, whichever may be the greater.

But, if such officer's civil employment have been declared, by order under Section 4 of "*The Superannuation Act, 1859*," to be a professional office, he may, subject to the above limitation of the amount of pension, elect on his retirement—

- (a) Either to retain his non-effective pay, together with a pension calculated on his actual service in the professional office; or
- (b) To relinquish his non-effective pay, and to receive a pension calculated on his actual service in the professional office, together with the addition of years granted by the order.

Other powers of abatement reserved.

8. Nothing in these Rules shall abridge or supersede any power of abatement of an officer's non-effective pay or emoluments possessed in other respects by the Treasury, or by any other public department.

Annual return to Parliament.

9. A return shall be laid before Parliament in every year of the number of officers who, having non-effective pay, or having commuted their non-effective pay, or having retired on a gratuity from navy or army funds, have been granted by the Admiralty or War Department permission, under Rule 2, to

hold any civil employment of profit under a public department, specifying the names of such officers and the respective amounts of their non-effective pay and their emoluments, and the abatement, if any, made therefrom, and distinguishing the officers to whom such permission has been granted since the conclusion of last return.

III.—EMPLOYMENT OF NAVAL OR MILITARY OFFICERS BY COLONIAL GOVERNMENTS (EXCLUSIVE OF THE GOVERNMENT OF INDIA).

Officers on active list to draw no Imperial pay.

10. If an officer on the active list now holds, or shall hereafter accept, any employment of profit under any Colonial Government, not remunerated out of Imperial funds, he shall draw no pay, effective or non-effective, from Imperial funds so long as he holds that employment; but if his employment appears to the Admiralty or War Department to be of a nature to afford practical experience likely to be afterwards of public advantage in the event of his return to Imperial service, his service under the Colonial Government may, if the Admiralty or War Department think fit, count towards promotion and retirement, as though it were service in the Imperial forces, and in that case the retired pay earned by his Colonial service whilst he remains on the said active list will in due course be chargeable on Imperial funds.

Duration of employment.

11. An officer on the active list shall accept and hold any employment of profit under a Colonial Government on condition only that the employment does not, in the absence of exceptional circumstances, last for a period exceeding five years, and is not renewed.

As to officers retiring whilst in Colonial service.

12. If an officer retire from the Imperial forces whilst he holds an employment of profit under a Colonial Government, he may at once draw so much of his retired pay as was earned by Imperial service before his entering the Colonial service; and upon his retirement from the Colonial service he may also draw the retired pay earned by so much of his Colonial service as preceded his retirement from the Imperial Forces.*

As to officers on retired list who accept Colonial employment.

13. If an officer on the retired list now holds, or shall hereafter accept, an appointment of profit under a Colonial Government, his retired pay, even though earned by mixed Imperial and Colonial service, shall not be suspended in whole or in part, by reason of such employment, unless the Admiralty or War Department think fit otherwise to order; and any such order may be carried into effect.

Check on increase of retired pay.

14. Service under a Colonial Government subsequent to an officer's retirement from the Imperial forces shall not increase the charge for his non-effective pay upon Imperial funds.

IV.—SAVING CLAUSES.

Saving for certain officers.

15. If any officer who is on the half-pay or retired list, or who has commuted his non-effective pay, or retired from the Imperial forces with a gratuity, accepts or holds any civil employment of profit under any public department, or any employment under the Government of any British possession, and is not subject to Rule 4, or is not subject to Rules 10 to 14, both inclusive, he shall accept and hold such employment on condition that he does not receive any part of any sum granted for non-effective pay for any time during which he holds such employment, except as hereafter mentioned, that is to say:

- (a.) If the appointment is in Her Majesty's Household, he may receive the full amount of his non-effective pay;
- (b.) If the annual emoluments of the employment do not exceed three times the amount of the highest rate of non-effective pay attached to the rank by virtue of which he claims to receive non-effective pay, such person may, with Her Majesty's pleasure to that effect, signified by the Treasury through one of Her Majesty's Principal Secretaries of State, receive the non-effective pay to which he would be entitled if he held no such employment of profit;
- (c.) Where the annual emoluments of the employment exceed three times the amount of such highest rate of non-effective pay as aforesaid, but fall short of four times such amount, the holder of such employment may, with Her Majesty's pleasure, signified in the manner aforesaid, receive so much non-effective pay as, added to the emoluments of his employment, will together make up four times the amount of such non-effective pay.

Saving for existing officers.

16. In the case of any officer who has accepted any employment before the passing of "The Superannuation Act, 1887," the foregoing Rules shall not, without his consent, apply to him so far as respects that employment, and if he does not so consent, the law and regulations applying to such officer immediately before such passing shall continue to apply to him so far as respects that employment.

RUST-RESISTING WHEAT.

THE Department of Agriculture have for free distribution in quantities of half-bushels, amongst farmers who grow wheat upon their holdings, a certain amount of wheat which has stood many experiments for its rust-resisting qualities. The wheat, which has been experimented upon by Messrs. Joyce Bros., Dalby, and by Dr. Bancroft, is of three varieties—Indian Bearded, Indian Beardless, and White Wheat. All have been proved rust-resisting on high land, whilst the former has been tested on low scrub land. Subjoined is an extract from letters received on the subject. Applications for this wheat to be lodged with the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

EXTRACT FROM LETTERS RELATIVE TO RUST-RESISTING WHEAT FOR DISTRIBUTION BY THE DEPARTMENT OF AGRICULTURE.

"From Joyce Bros., Cregmore, Dalby, to Under Secretary for Agriculture.

"There is no doubt as to the rust-proof qualities of the wheat, Dr. Bancroft having tested it for years, and his only doubt being the rich black soil of the Downs; and last year, which was a very rusty year, we tested between lines of very rusty specimens

and it was perfectly clean. Some Victorian farmers who were here as delegates to inspect land pronounced it as the only perfectly clean straw they had seen in Queensland. Messrs. Kates and Hayes, of Allora and Warwick, have both certified to its being good milling wheat, and offered not only last year, but this, top market quotations for milling purposes, although it is well known that millers usually object to the ordinary samples of Indian wheat as being too vitreous; also, in a leader some time ago, *re* rust-proof wheat, in the *Warwick Argus*, special mention was made of the excellent quality of flour made from our samples of wheat by Mr. Hayes. We have also found the wheat very hardy, and although it has been a very dry spring here it yielded well."

Date of letter, 5th January, 1888.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

THE Department of Agriculture will give half bushels of Rust-Resisting Seed Wheat to Growers who will engage carefully to cultivate the seed, and to send in a report of its growth, with samples of produce, to the Department. There are three kinds to be thus distributed, viz. :—Indian Bearded, Indian Beardless, and White Wheat. These have proved the best out of some twenty varieties, having stood the test of many careful experiments made by Dr. Bancroft, who introduced them to Queensland, and has had them further tried by practical farmers on the Darling Downs. All are found to be rust-resisting on the high lands, and the first-named of the three varieties has stood the test on the low-lying and scrub lands of the colony.

Applications for the said Wheat should be made to the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

Under Secretary for Agriculture.

A. RUTLEDGE,
Attorney-General.

RULES OF THE COURT OF PETTY SESSIONS FOR THE DISTRICT OF CHARLEVILLE.

SMALL DEBTS JURISDICTION.

At a Court of Petty Sessions for the Police District of Charleville, in its Small Debts Jurisdiction, holden at the Court House, Charleville, on the fourteenth day of February, in the year of our Lord one thousand eight hundred and eighty-eight, it is ordered and directed that all existing Rules of the said Court in the said District, save and except as regards any steps and proceedings heretofore taken, shall be and the same are hereby cancelled and annulled; and in lieu thereof the following shall be the Rules of Practice adopted and used in the said Court:—

Time of holding Court.

1. A Court of Petty Sessions, in the Small Debts Jurisdiction, shall be held on the second and fourth Thursdays in every month, unless such days shall fall on a proclaimed public holiday, in which event the Court shall stand adjourned until the same hour on such subsequent day as shall not be a holiday; always provided that in cases under the forty-first section of the Act 31 Vic. No. 29, relating to judgment summonses, or under the fifty-first section of said Act, relating to interpleader cases, it shall be lawful for the Court to sit on any other day which may be convenient, subject to the provisions of the said sections.

Time for entering plaint and service of summons.

2. In all cases where the defendant, or one or two or more defendants, resides or reside within the Police District of Charleville, the plaint shall be entered

four clear days, and the summons and particulars served three clear days, prior to the sittings of each Court. But where the defendant, or one or more of any number of joint defendants, resides or reside outside the said police district, the plaint shall be entered ten clear days, and the summons and particulars shall be served at least eight clear days, prior to the sittings of the Court.

Defence—when to be filed.

3. In all cases the plea of defence shall be filed with the Registrar of the Court one clear day before the return day of the summons.

Bills of particulars.

4. The plaintiff shall, upon entering a plaint with the Registrar of the Court, furnish him with two copies of bill of particulars and one copy for each defendant—if more than one.

Notice of withdrawal, &c.

5. Notice of withdrawal, confession of judgment, or payment into Court must be given or made one clear day before the return day of the summons. Provided that where the defendant or one or more of any number of joint defendants resides or reside outside of the said police district, notice of withdrawal shall be given three clear days before the return day of the summons. Provided that at any time the plaintiff may give notice of withdrawal, or the defendant may confess and admit the claim, or make any payment into Court, subject, however, to such professional and other costs as the Court may order.

What books shall be kept.

6. The Registrar shall keep a minute book, in which he shall correctly enter an account of the business of each day, as the same arises, together with a record book, which books shall be in Court on trial, and in which shall be entered the proceedings of the Court.

Registrar and bailiff to attend Court.

7. The Registrar and bailiff shall attend all sittings of the Court in person (except when authorised by the Bench to be absent). In case of such absence such officers may nominate deputies subject to the approval of the Bench; and such Registrar or bailiff, respectively, shall also attend the Justices of their Court on all other occasions wherein (as connected with causes or suitors) their assistance or information may be necessary.

Execution—when to issue.

8. Execution may be taken out at any time after the expiration of seven days from the date of the adjudication of the case, excepting where time has been granted by the Court, and then on the day and time appointed, unless it be shown on oath to the satisfaction of the Bench that the judgment of the Court would be defeated by delay; in which event execution may, upon the order of the Court to that effect, issue at any time after judgment; or excepting, also, a new trial has been granted by the Court; or in cases over ten pounds where an appeal has been made in terms of the Principal Act.

And any execution which may not have been executed within six calendar months of its date may be renewed for six months without any charge for same by the Registrar endorsing thereon "Renewed," and attaching his initials thereto.

Provided that after such renewal new execution must be take out by the party entitled thereto; and the party applying for execution shall, before obtaining same, prove to the satisfaction of the Registrar, by affidavit, that the judgment is in force and unsatisfied.

Sales—how regulated.

9. Any property sold in execution of the process of the said Court shall be sold publicly by auction, and for ready money, by the bailiff or his deputy, to the highest bidder, as near to the place where the same was levied as may be convenient for the sale thereof; and the said bailiff or his deputy shall, if possible, cause a notice of such sale to be published in at least one local newspaper two clear days at least prior to the time of sale, and the said bailiff or his deputy shall affix notice of such sale upon the door of the Registrar's office, and upon or near the door of the house where the sale takes place, two

days at least before the day appointed for the sale, which shall not be earlier than the fourth day from levying on the property. Provided that, with the consent of the owner or occupiers of any house at which property shall be levied, such sale may take place at such house.

Moneys to be paid over by Registrar.

10. In every case of an execution for a debt, or damages and costs, or for costs only, the proceeds shall be paid over by the bailiff to the Registrar, and upon receipt of such proceeds into Court, and in every case where money has been paid, the amount thereof shall, on demand, be paid over by such Registrar to the party entitled thereto, or, on the written authority of such party, to his attorney or other agent. Provided that any surplus that may remain after any execution shall have been satisfied shall be paid by the Registrar to the execution debtor.

Interpleader.

11. The interpleader order directed to be made under the fifty-first section of the Principal Act shall be in the form set forth in the Schedule (Form No. 1) and shall be served on both the claimant and the execution creditor two clear days before the time appointed for the hearing thereof.

Deposit by claimant.

12. Where any claim shall be made to or in respect of any goods taken in any execution under the process of the Court, the claimant shall deposit with the bailiff either the amount of the value of the goods claimed, together with bailiff's charges up to the time of such deposit (amount to be fixed by appraisal by the Registrar in case of dispute) to be by the bailiff paid into Court to abide decision of the Court upon such claim, or the claimant may give security—to be approved of by the Registrar—for the amount of the value of the goods, and for the bailiff's charges up to the time such security is given, and in the event of such payment being made or security given the bailiff shall not remain in possession of such goods.

By whom summons or subpoena served.

13. Any summons or subpoena issued and not taken by the plaintiff or defendant for service shall be delivered by the bailiff of the Court or his deputy. Provided always, in the event of there being no duly appointed bailiff, any person approved of by the Registrar may undertake the service thereof, and receive the fees therefor.

Bailiff not compelled to execute process during the sittings of the Court.

14. No bailiff or deputy bailiff shall be compelled to execute process in his own person during the sitting of the Court unless otherwise directed by the Court.

Præcipe for execution.

JAMES C. BEAL,
Government Printer.

ON SALE, at the Government Printing Office, William street, Brisbane, the Acts and Orders relating to the Jurisdiction, Practice, and Pleading of the Supreme Court of Queensland (on the Crown Side), arranged with notes by The Honourable George R. Harding, one of the Justices of that Court.

"The Rules of the Supreme Court (Crown Side), 1887," have just been promulgated and published in a *Government Gazette* for general information, and advantage of this opportunity has been taken to collect, in a convenient form, the Statutes of the Colony relating to the jurisdiction, practice, and pleading of the Court on the Crown Side. This has been done by incorporating them with the Rules, in what appeared to be their appropriate places or under substantive titles.

A full and complete Index has been printed in Roman and Italic type. The Roman refers to the Rules, the Italic to the Statutes and Notes.

Marginal notes have been furnished to all the Rules; and under such marginal notes, and those to the Statutes, have been given, as far as practicable, references to the corresponding English Rules and Statutes, and when the Rule is founded solely on a pre-existing Queensland Rule, to that Rule.

For facility of reference have been added Tables of "The Rules of the Supreme Court (Crown Side), 1887," Appendices to same, Substantive Titles, Miscellaneous Forms, Summaries of Particular Subjects, Cases, and Crimes of the most Frequent Occurrence, with their Punishments, etc.; also a Tabular Statement of Statutes, cited both by their years and short titles, and *vice versa* by their short titles and years; a Tabular Analysis of Queensland Statutes, both with reference to the corresponding English and Queensland Statutes printed in the text. But with reference to the pages in the latter analysis of the Queensland

Statutes the figures are printed in Roman and Italic, the first indicating that the sections are set out in full, the latter that the sections are only cited; and similarly in the Tabular Analysis of English Statutes, the Roman figures indicate that at such pages the corresponding Queensland sections are set out in full, while the Italics denote that the English section is cited; and when no page is given the English section is not referred to in the text. The citation of the corresponding Queensland section may be found by reference to the Tabular Analysis of Queensland Statutes.

The whole is uniform in its general arrangement with the Statutes and Orders on the Civil Side, published in 1885.

Demy 4to., 140 pp., interleaved, full bound, in Red Roan.

Price, 42s.; postage, in the colony 1s. 6d. beyond the colony 3s. 6d. extra.

J. C. BEAL,

RUST-RESISTING WHEAT.

THE Department of Agriculture have for free distribution in quantities of half-bushels, amongst farmers who grow wheat upon their holdings, a certain amount of wheat which has stood many experiments for its rust-resisting qualities. The wheat, which has been experimented upon by Messrs. Joyce Bros., Dalby, and by Dr. Bancroft, is of three varieties—Indian Bearded, Indian Beardless, and White Wheat. All have been proved rust-resisting on high land, whilst the former has been tested on low scrub land. Subjoined is an extract from letters received on the subject. Applications for this wheat to be lodged with the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

EXTRACT FROM LETTERS RELATIVE TO RUST-RESISTING WHEAT FOR DISTRIBUTION BY THE DEPARTMENT OF AGRICULTURE.

"From Joyce Bros., Cregmore, Dalby, to Under Secretary for Agriculture.

"There is no doubt as to the rust-proof qualities of the wheat, Dr. Bancroft having tested it for years, and his only doubt being the rich black soil of the Downs; and last year, which was a very rusty year, we tested between lines of very rusty specimens and it was perfectly clean. Some Victorian farmers who were here as delegates to inspect land pronounced it as the only perfectly clean straw they had seen in Queensland. Messrs. Kates and Hayes, of Allora and Warwick, have both certified to its being good milling wheat, and offered not only last year, but this, top market quotations for milling purposes, although it is well known that millers usually object to the ordinary samples of Indian

wheat as being too vitreous; also, in a leader some time ago, *re* rust-proof wheat, in the *Warwick Argus*, special mention was made of the excellent quality of flour made from our samples of wheat by Mr. Hayes. We have also found the wheat very hardy, and although it has been a very dry spring here it yielded well."

Date of letter, 5th January, 1888.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

PRODUCERS are invited to forward to the Department of Agriculture in Brisbane, small quantities of any specially fine samples of Wheat, Maize, Sugar, Tobacco, Rice, Cotton, or other Farm Produce grown in Queensland, such as will keep in a dry state, and are suitable for exhibition in small quantities. The wheat should be in the ear, with the straw attached, as well as in the grain; the maize in grain and in cob; the cotton ginned and unginced; the wool in the grease and scoured.

Information about the land on which the farm produce is grown will be acceptable, together with samples of the soil for analysis where this may be considered advisable.

In all cases the names of the producers, and the locality where grown, should be attached to the exhibits.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

THE Department of Agriculture will give half bushels of Rust-Resisting Seed Wheat to Growers who will engage carefully to cultivate the seed, and to send in a report of its growth, with samples of produce, to the Department. There are three kinds to be thus distributed, viz.:—Indian Bearded, Indian Beardless, and White Wheat. These have proved the best out of some twenty varieties, having stood the test of many careful experiments made by Dr. Bancroft, who introduced them to Queensland, and has had them further tried by practical farmers on the Darling Downs. All are found to be rust-resisting on the high lands, and the first-named of the three varieties has stood the test on the low-lying and scrub lands of the colony.

Applications for the said Wheat should be made to the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

PETER McLEAN,
Under Secretary for Agriculture.

VOL. XLIII.] SATURDAY, 7TH APRIL, 1888. [No. 74.

Chief Secretary's Office,
Brisbane, 6th April, 1888.

HIS Excellency the Governor has been pleased to direct the publication, for general information, of the following Circular Despatch received from the Secretary of State for the Colonies.

S. W. GRIFFITH.

Downing street, 21st January, 1888.

SIR,

I have the honour to inform you that the usual number of copies of the Statutes passed in the last Session of Parliament, which are supplied for the use of the Colony under your government, have been transmitted to you by book post. "*The Merchandise Marks Act*," Cap. 28, has been already communicated to you in my Circular Despatch of the 8th of September, and "*The Superannuation Act Amendment Act*," Cap. 67, will also form the subject of a separate despatch.

I have further to call your attention to "*The Pensions (Colonial Service) Act*," Cap. 13, and to "*The British Settlements Act*," Cap. 54, which should be made known in the Colony.

I have, &c.,

H. T. HOLLAND.

The Officer Administering the Government of Queensland.

CHAPTER 13.

AN ACT TO EXTEND, IN CERTAIN CASES, THE PROVISIONS OF "THE SUPERANNUATION ACT, 1859," AND TO EXTEND AND OTHERWISE AMEND THE PROVISIONS OF "THE COLONIAL GOVERNORS (PENSIONS) ACTS, 1865 AND 1872." [5TH JULY, 1887.]

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Short title and construction.

1. This Act may be cited as "*The Pensions (Colonial Service) Act, 1887*," and shall be construed as one with "*The Superannuation Act, 1859*," and with "*The Colonial Governors (Pensions) Acts, 1865 and 1872*."

Application of Superannuation Acts to Colonial civil service. 22 Vict. c. 26. 28 and 29 Vict. c. 113. 35 and 36 Vict. c. 29.

2. Where a person who has been employed in any office in the permanent civil service of a colony has been employed also in some Imperial civil capacity, his service in the said office shall, for the purposes of "*The Superannuation Act, 1859*," and "*The Colonial Governors (Pensions) Acts, 1865 and 1872*," and the Acts amending the said Acts, be deemed to be service in the permanent civil service of the State, and the said office shall be deemed to be an office in a public department, and the said person shall, subject as hereinafter provided, be qualified to receive a pension accordingly.

Provided that the Commissioners of Her Majesty's Treasury shall determine the portion of every such pension which shall be paid from the Consolidated Fund of the United Kingdom or moneys voted by Parliament, but no payment shall be made therefrom in respect of any employment in the permanent civil service of a colony.

The expression "*Imperial civil capacity*" in this section means the permanent civil service of the State, and also the administration of the government of a colony within the meaning of "*The Colonial Governors (Pensions) Act, 1865*."

Provision as to pensions under 28 and 29 Vict. c. 113, and 35 and 36 Vict. c. 29.

3. A person shall not receive, by way of pension, under "*The Colonial Governors (Pensions) Acts, 1865 and 1872*," an amount which, together with any pension for service in the permanent civil service of the State or of a colony, exceeds the sum of one thousand pounds a year, or two-thirds of the

salary and emoluments of his office in that service, whichever is greater. But his pension under the said Acts shall not be reduced by reason of his pension in respect of the said service being an emolument within the meaning of section seven of "*The Colonial Governors (Pensions) Act, 1865.*"

Mode of computing superannuation allowance to be granted in certain cases.

4. Any pension to be granted in pursuance of section ten of "*The Colonial Governors (Pensions) Act, 1865,*" as amended by this Act, to a person who has administered the government of any colony or colonies shall be computed, according to the provisions of "*The Superannuation Act, 1859,*" on the salary and emoluments of his office in the permanent civil service of the State or of a colony, and not on the salary received by him in respect of the administration of the said government.

Application of 28 and 29 Vict. c. 113, and 35 and 36 Vict. c. 29, to High Commissioner in Cyprus.

5. Whereas by "*The Colonial Governors (Pensions) Acts, 1865 and 1872,*" provision is made for retiring pensions to persons who have administered the government of any of Her Majesty's Colonies, and it is expedient to extend the said Acts to Her Majesty's High Commissioner in Cyprus: Be it therefore enacted as follows:

A pension may be granted in pursuance and subject to the provisions of "*The Colonial Governors (Pensions) Acts, 1865 and 1872,*" as amended by this or any other Act, to a person who has, either before or after the passing of this Act, administered the government of Cyprus as Her Majesty's High Commissioner, and those Acts shall apply as if Cyprus were a colony within the meaning thereof, and were within Her Majesty's dominions.

Definition of permanent civil service of a colony.

6. For the purposes of this Act a person shall be deemed to be employed in the permanent civil service of a colony if he holds any such permanent office in the service of Her Majesty in the government of any colony as qualifies him to receive a pension out of the revenues of such colony.

Provision against double pensions.

7. A person shall not receive a pension under "*The Colonial Governors (Pensions) Acts, 1865 and 1872,*" or this Act, and also under section twelve of "*The Superannuation Act, 1859.*"

Explanation of terms.

8. The expressions "permanent civil service of the State," "permanent civil service of Her Majesty," and "permanent civil service of the Crown," are hereby declared to have the same meaning, and this Act and any enactment relating to salaries and pensions shall be construed accordingly.

In this Act "pension" includes superannuation allowance.

DEPARTMENT OF AGRICULTURE.

RUST-RESISTING WHEAT.

THE Department of Agriculture have for free distribution in quantities of half-bushels, amongst farmers who grow wheat upon their holdings, a certain amount of wheat which has stood many experiments for its rust-resisting qualities. The wheat, which has been experimented upon by Messrs. Joyce Bros., Dalby, and by Dr. Bancroft, is of three varieties—Indian Bearded, Indian Beardless, and White Wheat. All have been proved rust-resisting on high land, whilst the former has been tested on low scrub land. Subjoined is an extract from letters received on the subject. Applications for this wheat to be lodged with the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

EXTRACT FROM LETTERS RELATIVE TO RUST-RESISTING WHEAT FOR DISTRIBUTION BY THE DEPARTMENT OF AGRICULTURE.

"From Joyce Bros., Cregmore, Dalby, to Under Secretary for Agriculture.

"There is no doubt as to the rust-proof qualities of the wheat, Dr. Bancroft having tested it for years, and his only doubt being the rich black soil of the Downs; and last year, which was a very rusty year, we tested between lines of very rusty specimens and it was perfectly clean. Some Victorian farmers

who were here as delegates to inspect land pronounced it as the only perfectly clean straw they had seen in Queensland. Messrs. Kates and Hayes, of Allora and Warwick, have both certified to its being good milling wheat, and offered not only last year, but this, top market quotations for milling purposes, although it is well known that millers usually object to the ordinary samples of Indian wheat as being too vitreous; also, in a leader some time ago, *re* rust-proof wheat, in the *Warwick Argus*, special mention was made of the excellent quality of flour made from our samples of wheat by Mr. Hayes. We have also found the wheat very hardy, and although it has been a very dry spring here it yielded well."

Date of letter, 5th January, 1888.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

PRODUCERS are invited to forward to the Department of Agriculture in Brisbane, small quantities of any specially fine samples of Wheat, Maize, Sugar, Tobacco, Rice, Cotton, or other Farm Produce grown in Queensland, such as will keep in a dry state, and are suitable for exhibition in small quantities. The wheat should be in the ear, with the straw attached, as well as in the grain; the maize in grain and in cob; the cotton ginned and unginned; the wool in the grease and scoured.

Information about the land on which the farm produce is grown will be acceptable, together with samples of the soil for analysis where this may be considered advisable.

In all cases the names of the producers, and the locality where grown, should be attached to the exhibits.

PETER McLEAN,
Under Secretary for Agriculture.

DEPARTMENT OF AGRICULTURE.

THE Department of Agriculture will give half bushels of Rust-Resisting Seed Wheat to Growers who will engage carefully to cultivate the seed, and to send in a report of its growth, with samples of produce, to the Department. There are three kinds to be thus distributed, viz. :—Indian Bearded, Indian Beardless, and White Wheat. These have proved the best out of some twenty varieties, having stood the test of many careful experiments made by Dr. Bancroft, who introduced them to Queensland, and has had them further tried by practical farmers on the Darling Downs. All are found to be rust-resisting on the high lands, and the first-named of the three varieties has stood the test on the low-lying and scrub lands of the colony.

Applications for the said Wheat should be made to the Land Agents at Warwick, Toowoomba, Dalby, Roma, and Allora.

PETER McLEAN,
Under Secretary for Agriculture.

HIS Excellency the Governor, in pursuance of the provisions of "The Defence Act of 1884," has been pleased to make the following Amendments in the Regulations of the 12th April, 1886, as amended by the Amended Regulations of the 3rd November, 1887, for the general government, discipline, and management of the Land Force established under the said Act.

S. W. GRIFFITH.

QUEENSLAND DEFENCE FORCE.

AMENDED REGULATIONS.

Regulation 332 is hereby cancelled, and the following new Regulations substituted therefor:—

332. Officers, non-commissioned officers, and men joining "A" Battery on probation, and who subsequently join permanently, shall be deemed to commence their service on the day on which they join on probation.

332A. An officer, non-commissioned officer, or man of "A" Battery shall not be entitled to retire, or take his discharge, upon the expiration of three years from the commencement of his service, unless and until he gives similar notice to that prescribed by Regulations 91 and 99 in the case of members of other Corps of the Defence Force.

332B. With a view to training efficient officers and non-commissioned officers for the instruction of the Force at large, and to retaining the services of competent non-commissioned officers and men, the Officer Commanding "A" Battery may, with the approval of the Commandant, allow officers and non-commissioned officers who show special aptitude for imparting instruction, and also any non-commissioned officers or men who are likely to be specially useful to the service, to remain in "A" Battery after the expiration of their original engagement, or of any re-engagement, for such period or successive periods as may be considered advisable, but no excess of the authorised establishment must occur without the sanction of the Minister.

332C. All ranks continuing their services as above shall sign the service roll as "re-engaged," but they may at any time retire from the Force or be drafted into the Permanent Force Reserve upon giving one month's notice in writing to the Officer Commanding "A" Battery, and paying, upon a scale to be prescribed in Battery Orders, the value of any uniform or equipment issued since the date of their last re-engagement, and which has not been fairly expended in service.

332D. Lieutenants who re-engage as above will be allowed two shillings a day extra pay, and non-commissioned officers and men who so re-engage may, if the Officer Commanding "A" Battery certifies that their conduct and efficiency continue satisfactory, receive in addition to their ordinary pay and allowances an annual bonus of equal amount to the reserve pay given to men of the Permanent Force Reserve, as laid down in Regulation 345.

332E. Re-engaged men who have been three years clear of the Regimental Defaulter's Book will be allowed to wear a good conduct badge (such badge not to carry extra pay), and, if extra-efficient in the opinion of the Officer Commanding "A" Battery, will also be granted a similar badge to that mentioned in Regulation 166.

332F. The Officer Commanding "A" Battery may require any non-commissioned officer or man to take his discharge upon the expiration of his original engagement, or of any period of re-engagement.

332G. If any officer, non-commissioned officer, or man, continues to serve in "A" Battery after the expiration of his original engagement, or of any period of re-engagement, without signing the service roll as re-engaged, he will nevertheless be subject to discipline in the same manner as if he had so signed the roll.

332H. The Officer Commanding "A" Battery may, if he thinks the circumstances of the case deserve it, grant leave of absence for any period not exceeding six weeks to non-commissioned officers and men whose engagements have expired before requiring them to sign the service roll as re-engaged.

S. W. GILFILLAN.

SIR,

Downing street, 8th February, 1888.

I have the honour to transmit to you, for your information and for that of your Government, the accompanying copies of the Amended Regulations under which Commissions in the British Army may be obtained by Officers of Colonial Military Forces.

I request that these Regulations may be substituted for those which accompanied my predecessor's Despatch of the 20th of September, 1886.*

I have, &c.,

The Officer Administering the Government of Queensland.

H. T. HOLLAND.

REGULATIONS UNDER WHICH COMMISSIONS IN THE BRITISH ARMY MAY BE OBTAINED BY OFFICERS OF COLONIAL LOCAL MILITARY FORCES.

1. Commissions in the Cavalry or Infantry of the Line will be granted to Officers (who are *bond fide* Colonists) of the Local Military Forces of certain Colonies, to be specified from time to time, under the conditions hereinafter prescribed as to age, physical and moral fitness, length of service in the Colonial Forces, literary and military qualifications, and general eligibility for the position of an Officer in Her Majesty's Regular Forces.

2. A Candidate will be required to have served at least fifteen months as an Officer in the Local Military Force of the Colony from which he is nominated, and must have attended two annual trainings, or have seen active service in the field. A certificate to this effect from his Commanding Officer must be attached to the Candidate's papers.

3. The candidate must be within the ages of 19 and 22 on the 1st January of the year in which he is allowed to present himself for the examination hereafter specified. A certificate of birth, or a declaration of his exact age, made by the Candidate's parents or guardian before a magistrate, must be attached to his papers when forwarded to the War Office.

4. He will be required to undergo an inspection by a Medical Board, to be convened by the Governor of the Colony, or other proper authority, and will not be allowed to proceed further with his candidature unless certified by such Board to be physically qualified, in all respects, for a commission in the Army.

5. An intending Candidate must apply for a nomination to the Governor, through his Commanding Officer, or such other channel as the Governor may prescribe, in sufficient time to allow of arrangements being made for his undergoing the military examination before he has exceeded the limit of age specified in para. 3.

6.
